The rewards of striving to be the best are even more meaningful in the development of our youth than they are in automobiles. That's why Mercedes-Benz USA is committed to educating and empowering the next generation of diverse leaders. To help equip them with the tools for success, MBUSA partners with two national organizations that invest in the futures of young people in communities across the country. As a Mercedes-Benz driver, you become a part of this effort to give hundreds of thousands of youth a better life today, and all of us a brighter tomorrow. *Learn more about how Mercedes-Benz USA gives back at MBUSA.com/community*

A nationwide network of youth sports programs, Laureus Sport for Good USA is focused on improving the health, education, employment and social cohesion of youth in underserved communities. Since 2012, Laureus USA has helped nearly half a million young people in 150 cities, and has supported the training of more than 8,000 coaches who serve as mentors in their communities. *To learn more, visit laureususa.com*

JOHNNY MAC SOLDIERS FUND

Johnny Mac Soldiers Fund helps to honor military service and sacrifice by providing scholarships to veterans and military family members, particularly the children of our nation's fallen and disabled. Since 2014, Johnny Mac has awarded over \$7.5 million in scholarships to more than 1,000 students. *To learn more, visit johnnymac.org*

CLA

2019

Mercedes-Benz

2019

CLA

Sometimes it's fun to turn popular wisdom on its head, and give old thinking a fresh twist. Take the saying "Form follows function." What if they lead the way together? Or "You can't have everything." What if you don't want to give up the things you like, just to fulfill what you need? "Well, fine. But plan on paying the price." Says who? Not the Mercedes-Benz CLA. Do you want a sporty car with a turbo and shift paddles, or safety advancements like radar collision mitigation? You get both in a CLA. Would you rather arrive in bold coupe style or ride in a roomy, refined four-door? Yes, and yes. And while its innovations make it clear why there's a shining Star in its grille, does that mean the CLA has a sky-high pricetag, too? You've probably figured that one out by now, and are already picking out colors, wheels and the options you want. The 2019 CLA puts them within reach of your imagination and your wallet, so go ahead: Dream a little. Dream big, even. Then live the dream.

CLA 250 COUPE CLA 250 4MATIC COUPE

AMG CLA 45 COUPE

THE VALUE OF THE CLA ONLY STARTS WITH A PRICE THAT MAKES IT EASY TO GET INTO. WHAT'LL MAKE YOU STAY INTO IT ARE THE VALUES THAT MAKE IT A MERCEDES-BENZ.

BODY AWAITS CHARACTER THAT
CANNOT BE TONED DOWN.

CLA MODELS

CLA 250 and CLA 250 4MATIC
208-hp inline-4 turbo
Front-wheel drive, or variable-
torque 4MATIC® all-wheel drive
17" alloy wheels¹

AMG CLA 45
Handcrafted 375-hp inline-4 turbo
Variable-torque AMG Performance
4MATIC all-wheel drive
19" alloy wheels¹

EXPRESSIVE design speaks not just to your boldness but to what the aerodynamically sculpted CLA body says about its performance. A CLA definitely wears the confidence of its turbo power, tuned chassis and available 4MATIC® all-wheel drive on its stylish sleeves.

IMPRESSIVE substance backs up the looks with the goods, like a leather-wrapped steering wheel with shift paddles, and an 8" high-res color screen. Options range from a multimode suspension to multimedia perks like WiFi,² voice control, Apple CarPlay™ and Android Auto.³

TO IMPRESS

Please see endnotes at back of brochure.

PERFORMANCE

EVERY CLA HAS THE POWER TO PIQUE YOUR DRIVING PASSION. IN AMG FORM, IT ALSO HAS THE MOST PEAK POWER OF ANY 4-CYLINDER CAR IN PRODUCTION.

Standard DYNAMIC SELECT fine-tunes the throttle, 7-speed shift points and more—from ECO to Sport—with just the push of a dashboard button or twist of a console knob.

Available 4MATIC® ALL-WHEEL DRIVE can send up to 50% of the engine's torque to the rear wheels, enhancing handling when the weather turns or when the road does.⁴

HIGHLIGHTS

2.0L inline-4 turbo engine, 208 hp (CLA 250) or 375 hp (CLA 45)

Variable-torque 4MATIC® all-wheel drive* or AMG Performance 4MATIC

Paddle-shifted 7-DCT (CLA 250) or AMG SPEEDSHIFT® DCT (CLA 45) 7-speed dual-clutch transmission

4-wheel independent suspension, with adjustable damping*

DYNAMIC SELECT with drive modes from ECO to Sport, plus Individual

*Optional or not available on some models. Please see back of brochure.

FROM SCULPTED SPORT SEATS WITH BUILT-IN LED MOOD LIGHTING TO AIRCRAFT-STYLE VENTS, CLA INNOVATION COMES WITH AN INVITATION TO STAY AND ENJOY IT ALL.

POWER FRONT SEATS balance sporty design with sumptuous comfort. Each seat features adjustable lumbar and thigh support, a 3-position memory, and LED downlighting beneath the integrated head restraints.

AUTOMATIC CLIMATE CONTROL offers dual zones, and filters for dust, pollen, smog and even odors. Satisfying click-turn fins adjust the executive jet-inspired dash vents. The rear cabin has its own adjustable vents.

HIGHLIGHTS

Sport-contoured 14-way power front seats, each with 3-position memory and integrated head restraints

60/40-split folding rear seats⁵ with integrated outboard head restraints, center armrest and cupholders

Dual-zone climate control with dust/pollen and activated charcoal filters

Amber or 12-color* LED ambient lighting including head restraints

Heated front seats*

KEYLESS-GO[®] with HANDS-FREE ACCESS foot-activated trunk opener*

Hand-fitted MB-Tex, DINAMICA microsuede* or leather* upholstery

A wide choice of dash trim options, including gloss or matte wood, aluminum and AMG Carbon Fiber

*Optional or not available on some models. Please see back of brochure.

FROM THE ENGINEERS WHO HAVE PIONEERED COUNTLESS SAFETY BREAKTHROUGHS, THE CLA'S ADVANCED TECH LOOKS OUT FOR YOU BY LOOKING AHEAD.

Standard **RADAR AND CAMERA** systems keep a virtual eye on the road ahead, and help you back up more safely. Radar-based Active Brake Assist can alert you if you're closing in too quickly on a vehicle ahead, and even initiate braking if you don't react.⁶

The CLA is available with **ADVANCED DRIVER ASSISTS** to help make changing lanes and stop-and-go traffic less stressful, and driving easier from open-road cruising to tight parking.⁷ Active steering guidelines enhance the standard rearview camera.

HIGHLIGHTS

Radar-based Active Brake Assist

ATTENTION ASSIST[®] driver drowsiness detection⁸

Rearview camera⁹

Driver Assistance Package* with Active Distance Assist DISTRONIC[®] cruise control¹⁰ and Lane Keeping Assist⁸

Blind Spot Assist*¹¹

Active Parking Assist*

WHETHER KEEPING YOU CONNECTED OR HELPING YOU GET AWAY FROM IT ALL, CONTROL IS AT YOUR FINGERTIPS, OR AS CLOSE AS YOUR VOICE.

An intuitive click-turn controller on the console and **8" SCREEN** with animated menus make it easy to access audio and comfort settings. Two navigation¹² options are available: COMAND with an advanced voice control system, or Garmin's MAP PILOT.

From standard HD Radio[®] stations and Bluetooth[®] audio streaming, to available nationwide SiriusXM Radio¹³ and global TuneIn Radio,¹⁴ an available harman/kardon surround sound brings them to life. In-car WiFi is available via *Mercedes me connect*.²

HIGHLIGHTS

8" display with central controller

Hands-free Bluetooth,[®] dual USB ports, and an SD card reader

COMAND[®] navigation and voice control with learning feature,* or accessory Garmin MAP PILOT[®] SD card-based navigation

Apple CarPlay[™] and Android Auto*³

450-watt harman/kardon LOGIC7[®] surround sound system*

*Optional or not available on some models. Please see features and endnotes at back of brochure.

PREMIUM PACKAGE

Blind Spot Assist

Heated front seats

SiriusXM Radio¹³ with a 6-month "All Access" trial (includes app and online)

18" AMG[®] twin 5-spoke wheels¹ with black accents

Gloss black grille crossbar trim, side mirrors, and side window surrounds

(Available on CLA 250 models only; AMG CLA 45 features standard black accents and aerodynamics package)

POPULAR OPTION GROUPS MAKE IT EASY TO CREATE A CLA THAT'S A TAILORED FIT FOR YOUR LIFE AND STYLE.

While the CLA's generous standard equipment is one of its core values, an array of options can elevate its function and indulge your sense of fashion. The most popular options are grouped into easy-order packages—some shown here—that let you equip your CLA with a collection of conveniences, customize its comfort, or alter its appearance in a single step.

Package contents and standard equipment vary by model. See page 25 for full list of options and packages.

PACKAGES

Is the CLA a more rational coupe, or is it a more sensuous sedan? With four doors and room for five, not to mention a highly efficient powerplant and laudable list of safety standards, a CLA 250 is sure to appeal to your practical side. But ever since it transformed from an auto-show concept to a production car, it's been set on seduction. Its arching roofline, frameless door glass and taut sheet metal complement the stance of its 17" or 18" wheels.¹ The diamond-block texture of its wide grille is one of many intriguing details, made all the more alluring when the AMG Line option tips each grille pin in chrome. On the move, it's even more scintillating—a symphony of spooling turbo torque, seven dual-clutched gears, and a choice of three driving modes at the push of a button. And with options like an adjustable suspension and multicolor ambient lighting, you can set up your CLA to suit your mood not just when you order it, but any time. Style, after all, isn't static. It's something you get to drive for yourself.

Five different 17" OR 18" WHEELS are available, with a choice of two styles at no charge. The 18" options include two AMG[®] twin 5-spoke designs—with a shimmering silver finish in the AMG Line, or bold black accents to go with the Night Package.

The PREMIUM PACKAGE enhances every drive, starting before you even get in. KEYLESS-GO[®] lets you unlock the doors with a touch. You can pop the trunk with a foot gesture. Heated front seats and SiriusXM Radio¹³ add joy to any journey. And Blind Spot Assist adds peace of mind.

With 208 hp and 258 lb-ft of torque, the 2.0L INLINE-4 TURBO engine makes quick work of merges and onramps. Its advanced Direct Injection and multispark ignition are even quicker, precisely self-tuning every few milliseconds as you drive.

FROM THE ARCH OF ITS ROOF TO THE VALUE IN ITS BOTTOM LINE, THE CLA 250 IS ENGINEERED TO SEDUCE YOU AT FIRST GLANCE, AND SATISFY YOU FOR MANY MILES.

Please see endnotes at back of brochure.

AMG

DRIVING PERFORMANCE

**TWO LITERS THAT'LL
QUENCH YOUR
THIRST FOR POWER**

A CLASS-LEADING 26.1 PSI OF TURBO BOOST HELPS CREATE 375 HP FROM 2.0 LITERS, THE MOST POWERFUL 4-CYLINDER ENGINE IN PRODUCTION.

TORQUE-VECTORING AMG Performance 4MATIC® converts the handcrafted power of the AMG CLA 45 into brilliant footwork at all four 19" or available 20" wheels¹—launching to 60 mph in just 4.1 seconds.¹⁵

The AMG DYNAMIC PLUS PACKAGE puts an even sharper edge on handling with a limited-slip front diff. Multimode AMG RIDE CONTROL suspension can be had in the package or on its own. Exclusive options— from an active exhaust to racing shell-style seats to a steering wheel with DINAMICA microsuede side grips— let you celebrate the AMG performance legacy daily.

Please see endnotes at back of brochure.

THE VALUE OF THE DIFFERENCE

Getting a new Mercedes-Benz may be a dream come true. But from the vehicle and its features to the company and its people, Mercedes-Benz aims to make every experience special—now, and for many miles down the road.

MERCEDES ME CONNECT

More than a smartphone app with remote vehicle controls, *Mercedes me connect* helps make your life easier, from the everyday to an emergency, and countless ways in between.² To learn more, visit MBUSA.com/mercedesme

**THE PERKS BEHIND THE STAR**

The Star on the front of your Mercedes-Benz is also a symbol of the treatment you can expect when you're part of the family. It starts at your Mercedes-Benz dealer, where your sales and service teams are equipped to take the best care of your vehicle, and eager to take the best care of you. But you're part of a much bigger world of Mercedes-Benz, too—from special events, offers and partnerships, to exclusive perks for AMG owners like an online "lounge" and the AMG Driving Academy.

**GENUINE ACCESSORIES**

Genuine Mercedes-Benz Accessories let you personalize your vehicle beyond its factory equipment. A range of items let you enhance its convenience, versatility, or appearance—all without compromising its legendary quality, safety or style.

From the Illuminated Star to wheels to spoilers, they're stylish. Whether helping you manage cargo, enjoy your electronic devices, or protect your car's finishes, they're functional. And they all fit like they're made for your car. Because they are. To see the line of accessories for your vehicle, visit MBUSA.com/accessories

**EASE OF SERVICE**

Your Mercedes-Benz dealer makes it easy to keep your vehicle at its peak of performance. Thanks to *Mercedes me assist*,² so does your car. It can alert your dealer when maintenance is due, send diagnostic info, and even have its software updated over the air.

ROADSIDE ASSISTANCE

The original manufacturer-provided Roadside Assistance Program is just a phone call or in-car button's push away, 24/7, to anyone driving your Mercedes-Benz. From a jump start to a tow to expert attention even before they arrive, the original still puts you first.¹⁷

**ENDNOTES**

* Item is optional or not available on some models. See Packages and Options listing in this brochure or visit MBUSA.com for more information.

- Lower-aspect-ratio tires and accompanying wheels provide substantially increased treadwear, increased tire noise and reduced ride comfort. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces or upon encountering road debris or obstacles. These tires are not designed for use on snow and ice. Winter tires mounted on appropriately sized and approved wheels are recommended for driving in those conditions.
- All *Mercedes me* services operate only where cellular and GPS signals are available, which are provided by third parties and not within the control of Mercedes-Benz USA, LLC. *Mercedes me connect* Assist Services, and 3 years of *Mercedes me connect* services are included at no additional charge with new-vehicle sales and leases at an authorized Mercedes-Benz dealer. Models with COMAND[®] navigation also include 1 year of Concierge Service, and a 1-month trial (up to 1GB) of in-vehicle WiFi and streaming audio. Subscriber Agreement is required for service to be active. Some services are only available on select vehicles. Your PIN is required to use certain services. Connection may be limited by cellular signal and other factors. Features may be introduced and updated at varying dates, and may also require a vehicle software update. Some services may be limited or restricted in some areas. Driver is responsible for complying with traffic and other laws. The *Mercedes me* Mobile App is compatible with Apple iPhone[®] models and Android-based phones, and may require a software update. See your dealer or MBUSA.com/mercedesme for details.
- Apple CarPlay[™] is a product of Apple Inc. Android Auto is a product of Google Inc. Device and app providers' terms and privacy statements apply. Requires connected compatible device and data plan. Apps, content and features are selected solely by their providers. Connection to apps and streaming services may be limited by the device's network connection. Data usage is routed through device and subject to fees, charges and restrictions in user's wireless plan. Vehicle's factory audio/information interface, including COMAND[®] navigation, may not be used simultaneously with Apple CarPlay or

Android Auto. When Apple CarPlay or Android Auto is in use, the steering-wheel voice control button accesses Siri[®] or Google voice recognition software for voice commands.

- No system, regardless of how advanced, can overcome the laws of physics or correct careless driving. Please always wear your seat belt. Performance is limited by available traction, which snow, ice and other conditions can affect. Always drive carefully, consistent with conditions. Best performance in snow is obtained with winter tires.
- Unsecured cargo can become hazardous in a collision. Always secure cargo using the floor-mounted tie-downs.
- Active Brake Assist may not be sufficient to avoid an accident. It does not react to certain stationary or suddenly moving objects or pedestrians, may not react in certain situations where objects cannot be clearly identified, nor does it recognize or predict the curvature and/or lane layout of the road or every movement of vehicles and pedestrians ahead. It is the driver's responsibility at all times to be attentive to traffic and road conditions, and to provide the steering, braking and other driving inputs necessary to retain control of the vehicle. Drivers are cautioned not to wait for the system's alerts before braking, as that may not afford sufficient time and distance to brake safely. See Operator's Manual for system operating speeds and additional information and warnings.
- Parking assistance systems are not substitutes for driver attention to the immediate surroundings, as well as any people, animals or vehicles in or approaching the vehicle's maneuvering range. System cannot determine if a space is legally available or of a suitable surface for parking. See Operator's Manual for additional information, tips and warnings.
- Driving while drowsy or distracted is dangerous and must be avoided. ATTENTION ASSIST[®] and Lane Keeping Assist are warning systems only. They may not be sufficient to alert a fatigued or distracted driver of lane drift and cannot be relied on to avoid an accident or serious injury. See Operator's Manual for system's operating speeds and additional information and warnings.

- Rearview camera does not audibly notify driver of nearby objects and is not a substitute for actively checking around the vehicle for any obstacles or people. Images displayed may be limited by camera field of view, weather, lighting conditions and the presence of dirt, ice or snow on the camera.
- Active Distance Assist DISTRONIC[®] is not a substitute for active driving involvement. It does not adapt cruising speed in response to stationary objects, nor does it predict the curvature and lane layout of the road ahead or the movement of vehicles ahead. It is the driver's responsibility at all times to be attentive to traffic and road conditions, and to provide the steering, braking and other driving inputs necessary to retain control of the vehicle. Drivers are cautioned not to wait for the system's alerts before braking, as that may not afford sufficient time and distance to brake safely. Braking effectiveness also depends on proper brake maintenance, and tire and road conditions. See Operator's Manual for system operating speeds and additional information and warnings.
- Blind Spot Assist is a warning system only, and may not be sufficient to avoid all accidents involving vehicles in your blind spot and does not estimate the speed of approaching vehicles. It must not be used as a substitute for driver awareness and checking of surrounding traffic conditions. See Operator's Manual for system's operating speeds and additional information and warnings.
- While the navigation system provides directional assistance, the driver must remain focused on safe driving behavior, including paying attention to traffic and street signs. The driver should utilize the system's audio cues while driving and should only consult the map or visual displays once the vehicle has been stopped in a safe place. Maps do not cover all areas or all routes within an area.
- The purchase of a new, satellite radio-enabled vehicle includes a 6-month introductory subscription to the Sirius All Access package, as well as a 5-year introductory subscription to SiriusXM Traffic and SiriusXM Weather when equipped with Multimedia Package. SiriusXM Traffic and Weather services are available for select markets. SiriusXM Satellite Radio, SiriusXM Traffic and SiriusXM Weather subscriptions are sold separately or as a package after trial period. If you decide to continue your

subscription after your trial, the plan you choose will automatically renew and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change.

- Requires *Mercedes me connect* In-car WiFi, plus Multimedia Package.
- Stated rates of acceleration are estimated based upon manufacturer's track results and may vary depending on model, environmental and road surface conditions, driving style, elevation and vehicle load.
- Obey local speed and traffic laws.
- Roadside Assistance repairs may involve charges for parts, service and towing. Vehicle must be accessible from main roads. Depending on the circumstance, these services may be provided by an outside provider, courtesy of Mercedes-Benz Roadside Assistance. Restricted roadways, acts of nature and vehicle accessibility may limit our ability to provide services to you. For full details, eligibility requirements, and limitations/exclusions of Sign and Drive services, as well as the Roadside Assistance Program, please see your dealer.
